FOREWORD

Intermingled with the rise and ebb of the voices of the spectators, the voices of the barkers of the side shows penetrate the big-top to form a low roaring background for the Ringmaster as he introduces the star performers. Assisting the stars are the understudies who anxiously watch the performance of the group, attempting to absorb some of the finer points of showmanship. To the accompaniment of the laughter of the children as they watch the antics of the clowns, one hears in the distance the roar of the wild animals and stamping of the impatient feet of the horses.

One is suddenly brought to attention as another fanfare brings an abrupt hush to the crowd as it turns expectantly to hear the Ringmaster announce "... and now, Ladies and Gentlemen, it is my great pleasure to introduce to you a daring group who, for the first time will attempt for you an act never before presented by them. Ladies and Gentlemen, our star performers . . . THE SENIORS."

CLASS HISTORY

On September 3, 1948, we entered our first year of high school with 31 members commonly known to the upperclassmen as "green" Freshmen.

After a few days of hard struggling and deciding on the courses we would follow throughout our high school, we held our first class meeting, in which we elected the following officers: President, Mabel Finley, Vice President, Everett Latta, Secretary-Treasurer, Imogene Newcomer, Reporter, Marlene Miller and Historian, Agnes Zeigler. Also we decided upon our class colors of Scarlet and Gray, our class flower, White Rose, and our Motto "Today Decides Tomorrow."

As our advisor we chose Mr. McVey.

We held two very successful class parties during the year. Also we welcomed Maxine Watson from Mt. Blanchard to our class increasing our number to 32.

On September 16, 1949, we entered our Sophomore year, feeling more a part of high school. We elected the following officers: President, Raymond George, Vice President, Marlene Miller, Secretary, Imogene Newcomer. Mr. McVey was chosen as our class advisor. Our number increased to 35 when we welcomed Bernita Bunnell, who transferred to our class from Mt. Blanchard, Carolyn Castello from Akron, and later Marilyn Stautter from Arizona. We had a bake sale and two class parties during the year.

Vacation passed again and September, 1950 found us as Juniors, with our flashy class rings awaiting us. Looking over the class we found two classmates missing, Marilyn Stautter, who moved to Lima, and Gene Wedge, who moved to Arvada. To make up for our loss we welcomed Dixie Beam from Centerburg and Bud Gary from Rawson.

We chose as our class officers: President, Richard Snively, Vice President, Everett Latta, Secretary-Treasurer, Marlene Miller, Reporter, Mabel Finley and Historian, Imogene Newcomer. As our advisor we chose Miss Painter.

The main highlights of the year started with our class play "One Too Many" which proved to be a great success. In February we held a very enjoyable class party along with a bake sale and a doughnut sale. In winding up the outstanding activities of our Junior year we banqueted the Seniors using a Southern Theme.

During the year we were sorry to lose Donald Thomas, Shirley Altman, David Driesbach and Luis Payne.

In September of 1951, with a class of 29 members, we began the last year of our four year career, with Mr. Clapper as our advisor. We regret to have lost Mary Lou Pinnick during the year. We also want to welcome Carol Chapman from North Baltimore.

We organized with Marlene Miller as President, Raymond George, Vice President, Mabel Finley, Secretary; Carolyn Ewing, Reporter, and Bernita Bunnell, Historian.

We chose as our Senior Play a comedy "Don't Take My Penny" which we presented on November 9, and proved to be a great success.

One of the bright spots of our Senior year was a banquet given in our honor by the Juniors on May 24.

We brought our high school career to a close with Baccalaureate on May 25 and Commencement on May 26.

We are proud to say that we have had very outstanding athletic as well as scholastic work. We hope that "Today has decided Tomorrow" as we leave McComr High School, never to enter again as students.

PROPHECY

The year 1964 has rolled around and with it has come the famous circus, known as "Latta and Gary". The two boys better known in their high school days as "Et" Latta and "Bud" Gary joined forces upon graduation and formed a small circus with performers taken from their own class. Their circus is now as famous as Ringling Bros. They were requested by the McComb Chamber of Commerce to bring their circus back to their old home town.

Upon approaching the ticket window we find another graduate of '52' Carolyn Collingwood busily selling tickets. It seems that the high school romance between Et and Carolyn turned out to be the real thing. When asked why she was selling tickets she replied, "Everett wanted to put me in the show as a performer but I told him he wasn't going to make a monkey out of me! If you go inside you'll see someone who will show you around."

As we proceeded toward the big tent we were confronted by none other than Bob Sparrowe who was the show's best barker. Katy Little and her brood of young ones were overheard discussing their high school days. Let's listen as Katy says "Whatever happened to the rest of our old gang, "Bob?"

"Well, quite a few of them joined our circus. Come along with me and I'll show you."

We followed them as they walked down the main thoroughfare. Katy was very surprised to see such familiar names and bright signs as "Putty and her Magic Dogs". "Why, that's Jo Ellen Shoop!" exclaimed Katy.

"Yes," answered Bob, "she and her husband Bill have a pretty good act. Her love for dogs made her one of the best dog-trainers in the U. S."

As we continued down the midway we saw the Indian Rubber Man, better known as Charlie Wasson who is remembered for his dramatic underhand shots and his bouncing falls in high school basketball.

Katy asked "Whatever happened to that good looking Charles Spittler?"

Oh, he's right down here. He was so good at throwing spit balls in English; he decided to make a profession of his skill only he's using knives. See, there are his two assistants. Don't you recognize them?"

"It's Maxine and Dixie," exclaimed Katy. Bob explained that the girls thought every other job in the circus was too dull and took this one because it was exciting not knowing for sure what would happen during the act.

By this time Katy's little Gerald Jr. demanded cotton candy. Who should be selling it but Carol Chapman? Although having been with the class only a short time Carol decided to stick with it and be in the circus with them.

Now Bob decided to show Katy the Big Top. Just inside the tent was none other than Raymond George interviewing spectators under the Big Top for the local radio station WMCC. After attending college for 10 years he went into radio work and is now McComb's outstanding announcer. As we drew nearer we overheard Raymond saying "And here are some more '52 graduates. Here are Gene and Sue Lee. They disclosed that they were both so fond of basketball, they decided to raise their own team. Already they have their five year old triplets practicing regularly."

Continuing on our way we saw two more old school chums who got married and maintained separate careers. Mrs. Frank Funk formerly Mabel Finley, had realized her life's ambition to become a nurse while Frank had joined the Cleveland Browns since he enjoyed football so much. Both are presently enjoying successful careers.

Riant beside them we noticed Don and Betty Thomas, President and Vice-President respectively, of the Findlay Coca-Cola Company.

As we followed Raymond and Katy who continued walking we saw them get bumped into by a peanut vendor. Upon a second glance we saw that this vendor was another old classmate Robert Roy who took such an interest in peanuts that he raised them for a living and even got paid with them.

Look who's over here. Katy exclaimed. It's Richard and Nana Strively. Lets go talk with them."

We found Richard had become a very successful farmer after graduating and he now specializes in the care and production of turkeys for Christmas which Richard said was an interesting occupation.

After leaving the Strivelys we noticed that Katy and Raymond spotted a small group of '52 graduates who were busy discussing their school days. Raymond interrupted their conversation long enough for one of them to say a few words. We heard it was in vain. Why've I've been married now for over 10 years and I have three daughters and two sons. We're living on a small farm just outside Desher. The children just love the farm. This of course, was Marilyn Deitchman whom we knew as Marilyn Adams.

And what have you been doing Bonnie? Raymond asked a tall quiet blond gentleman. Contrary to the report of all his classmates that Bonnie would also turn to farming he like Frank had become a professional athlete and was now on the swimming team representing the U. S. in the Olympics.

As this group interview continued we heard two more familiar voices. One was Bernita Burrell. It seemed Bernita was married shortly after graduation to a young man named Bishop. That she said was all she would have to share in the near future with her husband's relatives etc. The other familiar voice was that of Mary Mae Baker who also married. She and Gerald are living beside the Bishops so Mary Mae and Bernita could continue being close friends.

I had better find some seats so we won't miss the ring show. Katy said. I'll be seeing you."

As Katy sat down she was approached by a woman with a notebook and pencil. Kate recognized her as Marlene Miller. Marlene explained she was interviewing people at the studios for the McComb Herald Tribune, the city's thriving newspaper.

Here's my assignment she said. Katy was quite surprised to see Nancy Clevenger who had also been in her class at dear old McComb.

After visiting for a while Katy was again alone with her children and the ring show was about to begin. First the elephants paraded around the tent. When Katy saw who was riding one of the elephants she almost choked on a peanut. It was Vicky Anderson, and what a pretty rider she was!

Katy waved and Vicky seeing her waved back. What a long time since I've seen her. thought Katy.

As the parade continued what to her astonished eyes seemed a parade of a pair of Siamese twins. Of course they weren't really twins because Kate recognized them as Bernita Burrell and Marilyn Ewing. They would certainly be anybody who didn't know them. thought Katy said to herself.

Katy was quite surprised to see Ina and Peter and wondered if Siamese twins had when she saw the two riders her words dropped from her mind with a broken heart. Inogene Newcomer and Peter Thomas. I can't believe although she had known that they were pretty good.

Pushing a way through the crowd with a few nervous Exclamations Katy talked out of the ring to talk for a moment with Inogene and Bonnie. She was instantly interrupted by Raymond who happened to glance at his watch and cried. Great Scott Katy. We have only twenty minutes to reach the studio and get these notes put together for the 6:00 broadcast.

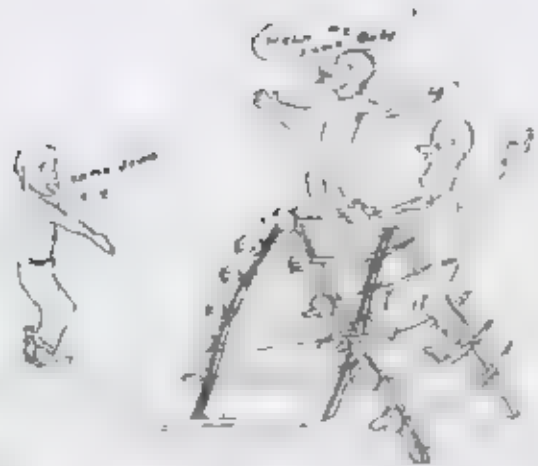

With a hasty goodbye they disappeared into the crowd.

JUNIORS

This year opened in September with 34 members in the Junior class. We welcomed new members Shirley Goddard, Paul Davis, and Pat Martin, but regret to lose Durlene Kurtz in January.

Our elected officers were as follows: President, Durlene Kurtz; V. Pres Martha Sparrowe; Secretary, Mary Donaldson; Historian, Sharon Wilkinson; Reporter, Lois Spittler.

Many of the boys in our class participated in basketball and football. We had three of the cheerleaders in our class: Martha Sparrowe, Connie Saldana, and Diane May.

We presented a play April 25 which was successful and enjoyed by all. In May we entertained the Seniors with a banquet.

We sold popcorn at all games and had a very successful sale to replenish our class fund. We also saved tax stamps.

 Second Row—Bill Morrison, Daryl Ewing, Jack Pickens, Janet Deerwester, Barbara Sudlow, Mary Sterling, La Donna Myers, Robert Barker, Roger Adams, Mr. Burt

SOPHOMORE

Twenty-eight students completed the requirements of the Freshman year and enrolled on the opening day of the '51-'52 school year as Sophomores.

One of the first matters of business was the election of class officers. The following were elected: President, Bob Beam; Vice President, Robert Barker; Secretary-Treasurer, Rosemary Leader; Historian, Lois Martens, and Reporter, Janet Deerwester. Mr. Burt was named our advisor.

This year to help support our treasury we held a bake sale early in the year, which helped quite a bit.

We gladly welcomed three new members to our class. They were Dwain Augsburg and Sharon Greene, both from Findlay, and Sandy Chapman from North Baltimore.

Bob Beam, Gene Routson, Robert Barker, Jack Finley, John Washburn, Jack Pickens, Bill Morrison, Bud DeWeese and Ned Dillinger have been outstanding in either basketball or football or both, and we are sure they will do a good job next year too.

Later in the year we selected our class rings which all of the Sophomores agree will be the best looking ring ever chosen in the High School.

EIGHTH GRADE

We started the year by electing the following officers. President, Ervin Zeltner; Vice President, Lucille Davis; Secretary-Treasurer, Jeanette Augsburger; Reporter, Shirley Smith; Historian, Gail Newcomer. We chose Mr. Finley as our adviser.

To make some money this year we sold tulip bulbs. To help the annual staff we sold annuals.

Early in the spring we had a very enjoyable class party in the club room.

Several of the eighth grade girls went out for Jr. High cheerleader. We are proud of Shirley Smith, Nancy Thomas, and Carol Sue Fundum who were chosen by the students to represent us at the Jr. High games.

Jeanette Augsburger, Lucille Davis and Bruce Chapman came into our class as new students. We have tried our best to make them feel at home. We were sorry to lose Jim Thomas who moved to Findlay during the year.

We'll see you next year and we will be calling ourselves "Freshmen."

SEVENTH GRADE

We finally reached the seventh grade! The changing of classes had us confused for a while but everything soon straightened out.

The first day of school we elected class officers as follows: President, Mark Deerwester; Vice President, Robert Phillips; Secretary-Treasurer, Beverly Snoop; Reporter, Paula Foltz; Historian, Lynne Miller. Mr. McVey is our class advisor.

We were sorry to lose Rodney Conley, Jesse Reyes, Charles Bowen, and Raymond Stahl, but we were happy to welcome Shirley Like and Terry Chapman as new members of our class.

We had a bake-sale in December which was very successful. We were planning a Christmas class party at Beverly Shoops, but couldn't have it because of icy roads. We did manage to have a party in February to which nearly everyone came. To say the least, fun was had by all.

FOOTBALL

After losing 10 lettermen through graduation, the Panthers gathered together 7 returning lettermen, and came up with a record of 7 wins, 1 loss and 1 tie.

On September 7 the Panthers traveled to Panama City, Florida, where they won a 41 to 19 victory over the highly rated Grove Bulldogs.

The following week the Panthers traveled to Vanlue, Ohio, where they won a 13 to 12 victory.

Vanlue was the next victim of the Panthers. The red and black fought hard to come out on top of a 13 to 12 victory that had the fans biting their finger-nails until the final gun sounded.

The Arlington Red Devils, the old McComb team, came to McComb on September 28, and had to

DISTRICT CHAMPS!

With a record of 10-1, the McComb Panthers were the top team in the district, but didn't get started until tournament time.

The Panthers started the season with a 10-1 record, but it wasn't until the tournament that they really showed their mettle.

McComb had a tough season, and during the regular season and came in with a third place tie with Cory-Ransom for league play.

On February 14 the McComb Panthers started into the tournament with Mt. Blanchard, which McComb won 57 to 31.

Van Wert was the only team to beat McComb twice in the season, were hurt by a 41 to 39 score in the first game, and a 41 to 46 score in the second game.

McComb then moved into district play at Tiffin with Hopewell-Louden. The game was close all the way but we came out on top of a 33 to 37 score.

New Haven was the only team to beat McComb in the district, with a 71 to 34 score.

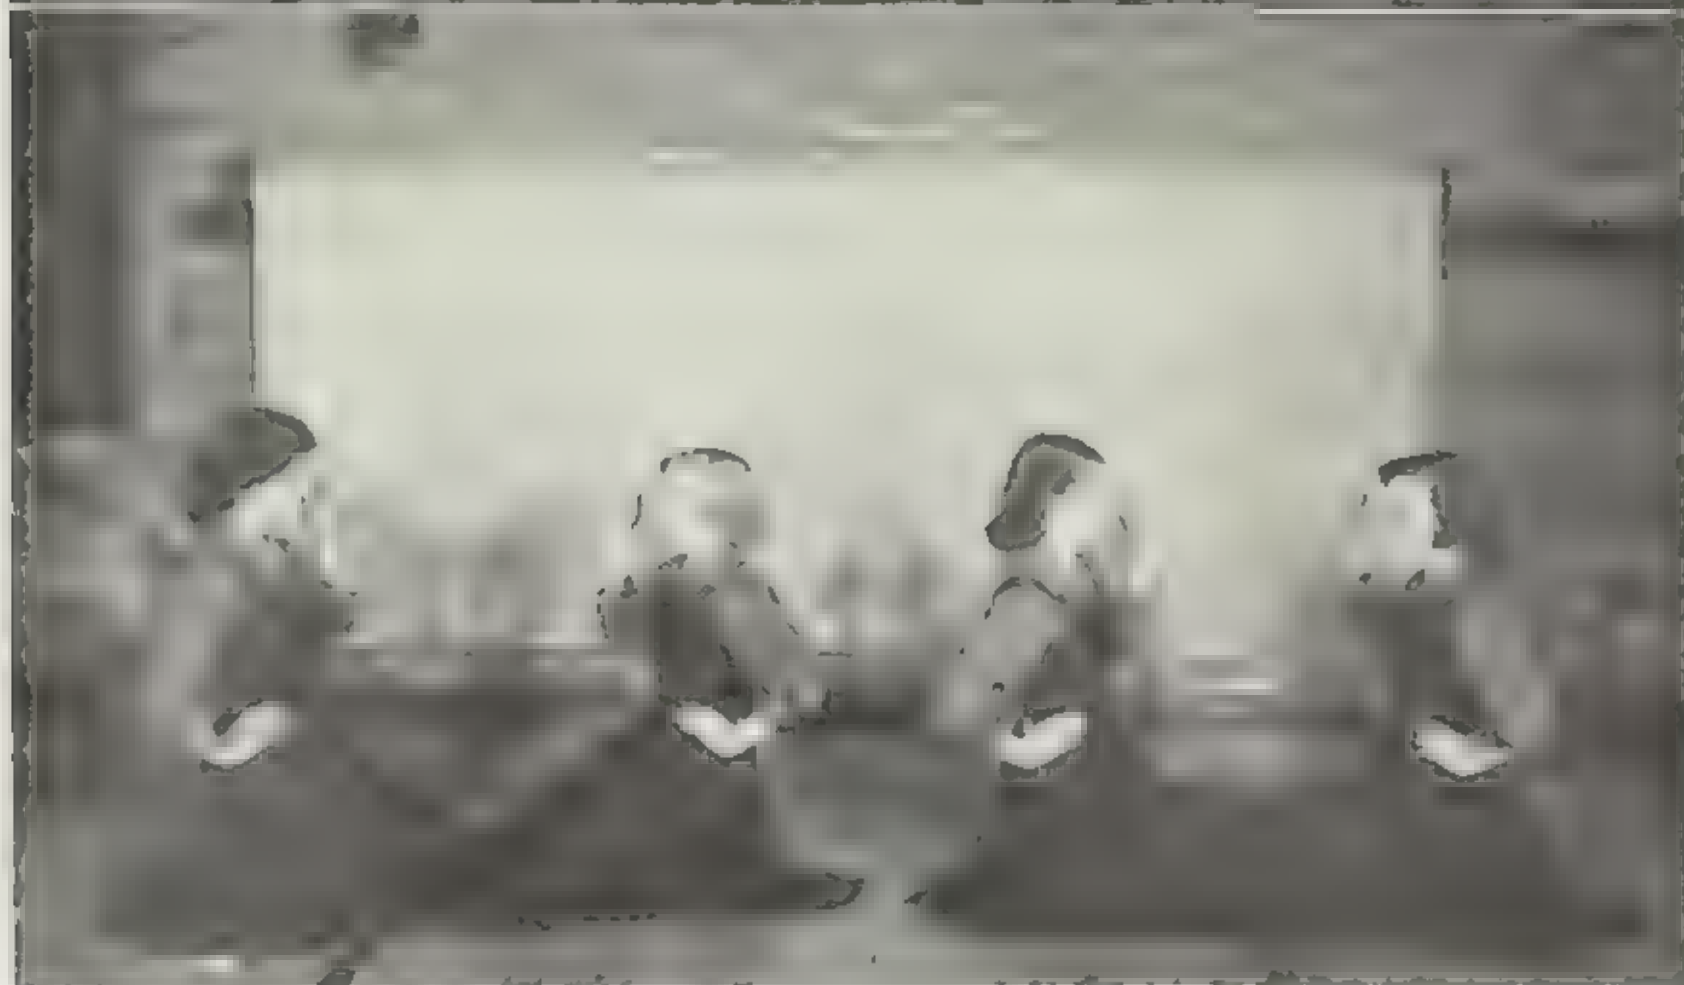

Leesville moved in with a 23-3 record. This was one of the toughest games of the season but McComb came out on top to a 52 to 50 score.

The Panthers finished the season with a 10-1 record, and were the district champions.

G. A. A.

Fifty-five members of the Girls Athletic Association spent another year of sport activities by electing the following officers: President, Imogene Newcomer, Vice President, Mabel Finley; Secretary-Treasurer, Carolyn Ewing; and Reporter, Lois Spitler.

The G. A. A. is well known as a national organization for the purpose of providing girls in the upper four grades with extra sport activity aside from their regular physical education classes. Any high school girl is eligible to join if she desires.

The members of the G. A. A. are well known for their participation in team activities such as basketball, and volleyball. They also participate in individual sports. During winter weather the G. A. A. members participate in ice skating. Along with the preceding team sports points toward letterman points are earned by taking part in individual sports such as long jump, swimming, high jump, and running. They also receive one point for every hour of these sports, and anyone having 1000 points or over receives a letter or pin.

A very successful year of new members was held in November and this was held on all Night meetings were held once a month with Mrs. Eleanor Foster as our advisor.

The first meeting of the Honor Society was held at the senior meeting and eight junior members were elected to the society. The society is open to all students who have completed the four years of high school. Eligibility is determined by the student's record.

The first meeting was held at Varsity on November 7 and the senior members attended. The next meeting was held at McIntire on January 23. The following year, the society members were elected. The society was held at the senior meeting in March 1950.

The annual Honor Society Banquet was held at the Senior Banquet on April 10. At this meeting the junior members were elected to the society and the Honor Society pins and membership cards were distributed.

Y-TEENS

The Y-Teen Club is a branch of the Y. W. C. A. We strive for better fellowship and good-will among ourselves and others. The Y-Teen symbol we have chosen is the triangle indicating the growth and improvement of body, mind and spirit.

The membership this year is composed of thirty girls from the Sophomore, Junior and Senior classes. Miss Black is our advisor.

A candlelight service is the proceeding with which we initiate the new members. It is very impressive, being on the serious side.

To help us carry on our many projects this year, we elected a cabinet of officers as follows: President, Jo Ellen Shoop; Vice President, Janice Eberly; Secretary, Mabel Finley; Treasurer, Dixie Bee; Song Leader, Bonita Crouse; Program Leader, Durlene Kurtz, and Recreation Leader, Sue Lawrence.

JUNIOR PLAY

On April 25, 1952, the play "Quiet Everybody" was presented by the junior class.

The two-hour farce takes place on the front porch of the Edward Romey residence in a small, middle western city.

Edward Homey, returning from a hard day's work at the [redacted] peace and quiet," because Jonathan Sedgewick, big shot of the Grocers' Association [redacted] see his plans for a new plastic method of canning, and "if Sedgewick likes them, we'll [redacted] g pretty." Sedgewick is eccentric, has a phobia against bugs, insects, and animals of all [redacted]

When the three Homey off-spring, their pals, an eccentric collecting uncle, a pie-making lady next door who shared the plot, and a local farmer who would not raise any more corn, and a queer woman who tried to buy Mrs. Homey's house, the tale is told. The story is told in a way that is both funny and touching.

out well enough.

The cast was as follows.

MARCHING BAND

The '51-'52 marching band had what we consider a very successful year. Oh, yes, we were young but very willing to work hard for our goal. Sometimes during football season it seemed that Mr. Burt just didn't have a heart when he'd say, "Okay, kids, let's go through it just one more time." We always got a kick out of that, LET US. He was sitting in the stand while we were doing all the marching. However, on game nights we were glad we had gone through our show ONCE MORE. We seemed to pick up a lot of spirit this year and are looking forward to our next marching season.

The graduating of our senior members is always a loss that is noticeably felt for a time. Those whom we shall miss next year are: Imogene Newcomer, Mabel Finley, and Carolyn Ewing with their flying batons; Robert Roy on trombone; Bernita Bunnell and Mary Mae Neiderhiser on flutes; Carolyn Collingwood, Kate Little, Marilyn Adams and Nancy Clevenger on clarinet.

CONCERT BAND

The Concert Band, under the direction of Mr. J. H. Smith, was a successful organization during the year. The band was given the honor of playing at the Finner's and the school was very proud of its achievement.

Over 100 students and teachers participated in the band's activities during the year. Mr. J. H. Smith was the director.

Many of the band's members were given the honor of playing at the Finner's and the school was very proud of its achievement.

Mabel Finley, Nancy Thomas, Carolyn Ewing, Patty Buchanan, Imogene Newcomer

DRUM MAJORETTES

Three of the present drum majorettes, Carolyn Ewing, Mabel Finley and Imogene Newcomer, will graduate this year. They had led the band for several years. They are being replaced by a new group of girls for a while without their leadership, but before long it will feel natural to follow the new drum majorettes who have been well schooled by those who are graduating this year.

Thus, may we say "well done" to Mabel, Carolyn and Imogene.

How good is "good enough"?

Here in America, we're a lot less interested in answering that question than we are: "How much *better* can we do it?"

That's why last year's track records have a way of falling, this year. That's why this year's miracle drugs give way to greater medical miracles, next year. That's why we come up with television . . . then *color* television.

That's also why we come up with a good gasoline . . . then a better gasoline.

For, under the healthy, competitive system we have in the U.S.A., there is a reward in sports, in science, in *business*—for those who are not satisfied with "good enough."

As long as every individual and every company is free to seek the reward that comes with "doing it better," America will continue to be a better and better place in which to live.

FOOTBALL

(Continued from Page 42)

came from behind in the last quarter to tie the score at 13 to 13, a heartbreaker for the Panthers.

The mighty Panthers then traveled to Liberty for another decided affair in which McComb came out on top with a 40 to 0 score.

The following week we entertained Mt. Blanchard which was a close game for one quarter. At the beginning of the second quarter the Panthers picked up and walked off the field with a 41 to 14 score.

On October 19 McComb traveled to Arcadia and took the decision in a tough battle 35 to 6.

We played Cory Rawson the following week and they knocked McComb out of the race for the championship with a 20 to 33 score. The Panthers scored 2 points the first quarter but Cory Rawson, running in fresh men all through the game wore the Panthers down and went on to win.

The last game of the year the Panthers heartbroken from the week before humiliated Van Buren by a score of 33 to 0.

McComb limited the opposition to 104 points while reaching 248. The next year's team still has a bright future which will give any team a rough time.

DISTRICT CHAMPS!

(Continued from Page 44)

more who had already beaten Arlington by a 14 point margin. McComb, however, was not to be denied and won the championship by trimming Sycamore 47 to 42.

McComb met Gibson at Toledo who knocked off last year's State Champions, and lost a heart-breaker 41 to 44.

Bill Sparrowe and Joe C. Greenwood were named on the Regional first team. Congratulations boys. You can be justly proud of this honor.

The Panthers scored a total of 1574 points while limiting the opponents to 1201.

Next year's team will also have a bright outlook with some mighty good talent returning, which will give any team a run for its money.
